

Honor Flight Upstate SC Donation & Sponsorship Information

Thank you for your interest in *Honor Flight*. Your donation will be used to help transport World War II veterans to Washington, DC to visit THEIR memorial. These veterans have waited over 60 years for a memorial most will never see without the help of compassionate people like you. These trips are not possible without the support of the American public. Each trip carrying approximately 100 veterans cost in excess of \$60,000.

Our veterans had previously given up all hope of ever seeing the memorial that honors their service and the ultimate sacrifice of their comrades.

The time to act is NOW. These brave men and women who served in World War II are 79 years old and older. In 2007, approximately 1,200 World War II veterans died each DAY. The average life expectancy for an American male is 74.4 years. In another 5-10 years almost all of our World War II veterans will be gone. We cannot wait, we need to help them get to Washington as soon as possible while they are still able to make the trip.

This trip may be their "last hurrah," the last time they will be recognized as heroes and conquering victors that collectively and literally saved the world. All day long they will be thanked, recognized and admired for their service. These veterans will remember the kindness and adoration shown to them for the rest of their lives.

Honor Flights are completely free to WWII Veterans

All donations are 100% tax deductible.

Make checks payable to: City of Simpsonville, for Honor Flight Upstate SC

Mail your donation along with this form to:

**Honor Flight Upstate SC
Attn: Betty Waldrop
